On the home pages, we need a a third column next to "Events" that looks like this:

News & Announcements	Events	Board Meetings
Congratulations to Art Teacher...	Presidents Day...	Board Meeting Dates
(Link to Document I shared today)	Culmination...	Board Meeting
New LA Celebrates...		
Agenda (Will link to new agenda)

The new date is in the calendar, which updates the events section. The meeting dates doc is under board agendas tab. I haven't uploaded the new agenda under news & announcements since we're waiting until the Friday before.
